RULES AND CONDITIONS APPLICABLE TO ROLLOVER

GENERAL INFORMATION

President George W. Bush signed the Health Opportunity Patient Empowerment Act of 2006 on December 20, 2006. The law, part of the Tax Relief and Health Care Act of 2006, provides new opportunities for health savings accounts (HSA) participants to build their funds.

HSA provisions of the Act include:

1. One Time rollovers from Health FSAs and HRAs into HSAs through 12/31/2011

Employers can transfer funds from Flexible Spending Arrangements (FSAs) or Health Reimbursement Arrangements (HRAs) to an HSA. The one time tax free rollover of Health FSA and/or HRA amounts (a Qualified HSA Distribution) is the balance in the FSA or HRA as of September 21, 2006, or if less, the balance as of the date of the transfer. The provision is limited to one distribution with respect to each Health FSA or HRA of the individual. The Qualified HSA Distribution is treated as a rollover contribution for HSA purposes; therefore, it does not decrease the amount that may be contributed to the HAS during the year.

If an individual does not remain an eligible individual for the 12 months following the month of the contribution, the transferred amount is included in income and subject to a 10 percent additional tax.

2. One time transfer from IRAs to HSAs

The new rules allow for a one-time contribution to an HSA of amounts distributed from an Individual Retirement Arrangement (IRA). The contribution must be made in a direct trustee-to-trustee transfer. The IRA transfer will not be included in income or subject to the early withdrawal additional tax.

Unlike Health FSA/HRA transfers, the IRA transfer is not treated as a rollover contribution. Thus any amounts transferred from the IRA to the HSA during the year reduce the maximum amount that may otherwise be contributed to the HSA during the year. Generally, only one transfer may be made during the lifetime of an individual.

If an individual electing the one-time transfer does not remain an eligible individual for the 12 months following the month of the contribution, the transferred amount is included in income and subject to a 10 percent additional tax.

For Internal Use Only: Accepting HSA Custodian

Our organization agrees to serve as the new Custodian for the account of the above named individual, and as Custodian, we agree to accept the assets being transferred.
